To

The Secretary,
Drugs Technical Advisory Board.

Sub: Drugs Rules , 1945 - Licences - Fees for issue of duplicate copies.

Sir,

I am directed to forward a copy of letter No.62515 G1/47-1 Public Health dated the 19th August, 1947, from the Government of Madras, with enclosure, for the consideration of the Drugs Technical Advisory Board at its next meeting. The Government of India are of opinion that a uniform fee of Rs.2/- per copy should be sufficient for copies of all licences whether for manufacutre or for sale of drugs on the analogy of Rule 19 of the Drugs Rules, 1945, in which a fee of two rupees only, per copy has been fixed for supply of copies of certificates of registration of patent and proprietary medicines.

2. Copies of the Madras Government's letter with enclosure are being supplied to the other Provincial Governments and they are being asked whether they agree to the Board being consulted for the purpose of making similar amendments to the Provincial Drugs Rules concerned. Copies of their replies will be forwarded to you for consideration by the Board, as soon as they are received.

3. In this connection the Government of India consider that Rule 24 of the Drugs Rules, 1945, should also be amended so as to enable the supply of duplicate copies of import licences at Rs.2/- per copy. The Board may be consulted on this point also.

I have the honour to be,
Sir,

Your most obedient servant,

Sd./- S.Devanath.
